Kirkmeyer Duck Pond

214114

CANADA GOOSE • DUCK

This is a nice field for duck and goose hunting if the weather is right. This property is located below the water treatment plant of Northglenn, Colorado which never freezes in winter, making for good duck and goose hunting in the later part of the season. Camouflage and portable layout blinds are highly recommended. Please do not drive in these fields.

The field can be excellent for ducks!
